

Update to National Postal League Results

I need to make an apology for a few errors that crept into the National Postal League Results that were issued in Pistol News #13, which I would like to correct in this update please.

My thanks to Michael Schmidt, who alerted me to the errors, thanks Michael, it is really appreciated, and it demonstrates that provinces can assist by checking their members results please.

Fortunately only one medal error occurred, so I sincerely apologise to Nico Rautenbach, whose 3rd place in Centrefire was incorrectly awarded for a 531/600. The correct result was 3rd place for Michael Schmidt with 536/600. Sorry, Nico, it was a sorting issue in Excel that I got wrong.

This update is meant to add some missing information:

- I left out the Ladies Sport Pistol results;
- I left out a medal winner, apologies to Madelein Bloemhof from Alberton;
- I reported incorrect scores for the Mens Sport Pistol Scores in the Bronze Class.
- The medal positions in the Bronze class remain correct, I just had the wrong scores listed; apologies to Phil Lubbe, Jock McLaren and Louis le Riche, I somehow managed to put incorrect scores next to your names.

The corrected and updated results are presented below.
